## NILES FLOWER SHOW DRAWS HUGE CROWDS DURING 2-DAY DISPLAY

Total of 1300 Visitors  
Registered; 230 Specimens On Exhibit

With a total of 1300 registered visitors during the two days, the Niles Wildflower Display held Sunday and Monday in the Rose garage at Niles was undoubtedly the most successful in the history of the event. Huge throngs from cities and towns all over the northern part of the state crowded the show room Sunday and Monday to witness the exhibit of the largest variety of wild flowers ever before assembled together for the display. A total of 230 specimens were on exhibit.

Tourists, Niles and Washington township people, visitors from nearby communities, and school children all widely acclaimed the display during its two days of showing. Its popularity was evidenced by the large numbers which kept coming in during the closing hours Monday evening.

On Sunday afternoon a packed audience heard an interesting address by Professor H. L. Mason, of the University of California, on the subject of wild flowers. The speaker, who is an authority on wild flowers, told his listeners many interesting facts concerning the wild blooms. He said one-tenth of all the wild flowers are members of the sunflower family, and explained that several of the specimens on exhibit were flowers not native to the state but had been introduced through some source, while others were former domesticated blooms which had grown wild. He warned that over grazing of cattle and sheep constitutes one of the greatest

evils tending toward the destruction of wild flowers.

Several rare specimens of wild blooms were on exhibit this year. Among them were the thistle sage and the Jacobs Ladder, found for the first time south of San Francisco, the wild poppy, wild lobelia, and jewel flower. Another rare specimen on exhibit was the traveling buckwheat, which is said to grow only in one section of the world and that is in a limited region surrounding Niles.

Agricultural and botany classes from Washington Union high school took advantage of the opportunity to witness this rare exhibit of wild blooms and attended the show in a body Monday noon, while all the pupils of the Niles grammar school witnessed the display the same day.

The display this year unquestionably has advertised Niles more widely than any other event, and much credit is due those whose efforts made it such a huge success. Pans for the display, which was sponsored by the Niles Chamber of Commerce, were made and executed by the chamber of commerce wildflower committee, consisting of J. E. Townsend, chairman, and Al Johnson, W. B. Kirk, W. E. Jones, E. D. Bristow, A. J. Petsche, and Jack Williamson, members. It was the intensive efforts of this group of men that made the show the success it proved to be. Credit also should be given to the Niles Boy Scouts, the Camp Fire Girls, and pupils of the Niles grammar school, who worked diligently all Saturday under the direction of committee members gathering the flowers.

## SWIMMING POOL DRIVE PLANS PRESENTED TO NILES CIVIC GROUP

Three Ways to Aid Pool  
Fund Explains Campaign Director

Details of the plans for the Washington township swimming pool drive under the direction of the firm of Harry R. Bogart, of San Francisco, was explained by Robert Stratton, campaign director, to the Niles Chamber of Commerce at their regular meeting Monday noon.

Stratton emphasized to the Niles chamber members that the Centerville Lions Club will have nothing to do with the management of the pool once it is constructed, and that the Bogart firm has been employed to carry on the drive to raise the necessary \$7500 in order that all the money raised will go toward the fund and nothing would be de-

## FIRE BREAKS OUT IN NILES ESSANAY STUDIO

Excitement reigned in Niles about 11:30 o'clock Sunday night when fire broke out in one of the upstairs rooms in the old Essanay movie studio on First street, Niles. The blaze is thought to have originated from a burning cigarette setting fire to a cot in the room.

The fire was extinguished by the Niles fire department before serious damage resulted. The cot was destroyed and the walls of the room badly scorched.

Mr. and Mrs. Rex Broyles and family visited friends in Pleasanton Sunday.

## VANDALS WRECK CAMP GROUNDS AT ROSE RANCH

THE GENEROSITY of Ed. Rose, Washington township garageman in allowing picnickers and other holiday relaxation seekers free use of recreational facilities of his ranch located in Rose Canyon, directly north of Niles, was grossly abused recently when vandals invaded the grounds, broke the windows in the ranch house, shattered the electric light globes about the place and committed other damage.

The Rose ranch always has been a gathering place for those desiring to enjoy outdoor pleasures, and it is to be deplored that trust in proper use of the facilities has been violated. Rose is offering a \$100 reward for the capture of those who committed the acts of vandalism.

## PROHIBITION MEN RAID NILES SOFT DRINK CONCERN

Proprietor Is Arrested On  
Three Liquor  
Charges

Federal prohibition agents and men from the county sheriff's office staged a raid in Niles Saturday afternoon and arrested Lawrence Bonturi, proprietor of a soft drink and bakery establishment on First street, Niles. Bonturi was arrested for possession, sale, and transportation of liquor.

When Bonturi drove up to the curb with his car, the officers searched the machine and are said to have found a quantity of liquor and wine. Marked money used by an undercover man to purchase liquor also is said to have been found on his person, thus bringing the sale charge.

The prisoner was taken to the county jail in Oakland, and later released under \$1500 bond. He will be tried in a federal court.

Those taking part in the raid were Prohibition Agent Jester, Deputy Sheriffs Harry Adams and Douglas Webb and Constable O. W. Ebright.

## SOLON BROTHERS OPERATE NILES STATION

A modern super-service station prepared to offer everything in the way of service station work will be available to the Washington township public in the near future as the result of Leon and Cyrus Solon taking over the service station on First street, Niles, formerly operated by Jack Biale.

The Solon brothers took over the station Thursday, April 7, and are now making extensive improvements about the place. A new building will be erected between the service station and the Shuckl cannery, which will be fitted with adequate equipment to do all types of automobile repair work.

The Solons are well known to Washington township people, being the sons of a pioneer family in this township. Cyrus had been employed in the service of the Rose Garage at Niles for thirteen years until last week, while Leon had been manager of the Rose Garage at Centerville. He had worked for Rose for nine years. Their many friends in the township will be glad to hear the brothers will continue in business in this community.

### ENJOY PICNIC

Mr. and Mrs. Mary Pine, Louise Vincent, Deputy Sheriff Charles Rogers, all of Martinez, and Anthony Cardoza and fiancée, of Berkeley, enjoyed a picnic with Mr. and Mrs. Joe Cardoza in Niles Canyon Sunday.

# READER DRIVE WILL BEGIN

## District Attorney Reports Suit Progress

Definite progress is being made with the condemnation suit to secure the right-of-way for the extension of Niles First street to join the Alvarado road, District Attorney Earl C. Warren assured the Township Register Tuesday afternoon.

Warren stated he had filed suit immediately after official instructions had been given him by the county board of supervisors at their meeting two weeks ago. Papers have been served on the property owners concerned in Alameda county, while papers are in the hands of proper officials to be served on property owners in

other counties, according to the district attorney.

The time necessary for the condemnation suit to be completed and actual construction of the road to begin will depend upon what effort the property owners will make toward combating the suit, said Warren. He also said the work of building the road could begin immediately if the board of supervisors would decide to post a bond sufficient to cover the probable damage claims paid to property owners.

Every effort will be made by his office to carry the suit through as soon as possible, stated Warren.

## CIRCULATION CREW TO COVER TOWNSHIP FOR NEW SUBSCRIPTIONS

In an effort to place the Township Register in the home of every resident of Washington Township, announcement is hereby made to the effect that beginning Friday morning, April 15, a crew of circulation surveyors will commence to contact every non-subscriber throughout the township, their primary purpose being to acquaint all who are not familiar with the advantages and opportunities to be derived by subscribing to this family newspaper—the paper that prints all the news.

Many people in subscribing to a paper only stop to consider the fact that it means a cash outlay—in this particular case, the small sum of \$2 per year—and do not pause to figure the fact that for approximately four cents a week they are being kept posted on every worthwhile news event throughout the township. Nor do they stop to think that by reading and taking advantage of the many excellent and worthwhile bargains listed in the advertising columns of this newspaper, they may easily save the price of the paper many times over. These are only two of the many advantages that loyal residents throughout the township simply cannot afford to be without. There are many more, so many that it is hard to believe that anybody can possibly manage without subscribing to the Register.

Although the Township Register has the distinction of enjoying a very large circulation throughout the township, the publisher wishes to ultimately see this publication left in every home in this entire district. Many residents of this community are now subscribing to metropolitan papers but even the best of these publications cannot possibly cover the territory as thoroughly as this locally owned paper, and cannot afford to devote sufficient space to giving prominence to all the local news.

In an address at a community dinner held just this week in Niles, Albert G. Burns, general manager of the California State Industries League, impressed a large representative gathering of township business men with the urgent necessity of patronizing and supporting local industries, in order to insure the future prosperity and successful growth of that community. This fact is undeniably true, as everybody at the meeting undoubtedly will agree. Why not apply this principle to your local newspaper—the one medium that is working absolutely one-hundred percent for the future success of Washington township. The Township Register is strictly a home newspaper, employing a permanent staff of fifteen people, all of whom are residents in the township. Their salaries are kept in circulation throughout this community. And their employment is made possible through an investment running into many thousands of dollars—an investment made by the publisher because of his faith in the future progress of Washington township!

Join with the publisher of the Township Register in his efforts to spread Washington Township all over the map by supporting him in his efforts to see this paper left in every home throughout this community. The circulation surveyors who will shortly commence their campaign come with the highest possible recommendations, and are experts in their class of work. Courtesy is the keynote of their activities, and should one of these solicitors call on you, any co-operation you may show him will be appreciated by the publisher. Everybody knows the old story about "Smile and the world snickers with you, Sniff, and you use your own handkerchief." Well, it's the same with subscribing to the Township Register. Spend a couple of dollars a year for it with a smile and you will be amply rewarded with self-satisfaction and pleasure. But if you don't subscribe to this home newspaper, the world passes by, and you just don't know what's what!

## GRAMMAR PUPILS ENTER BETTER GARDEN CONTEST

Thirty-Three Signify  
Intention of Entry  
In Competition

With the announcement made recently that the Niles Chamber of Commerce will sponsor the Better Garden contest again this year, a large number of pupils from the Niles grammar school have signified their intention to compete. Prizes are awarded to those showing the greatest improvements in their home gardens during a certain period of time. The dates for the contest have not been announced yet, but it is expected they will be set in the near future.

The following pupils have signed up for the contest: sixth grade—John Berchem, Eugene Broyles, Laura Escobar, Tommy Estudillo, Jack Fedrick, Betty Seehuber, James Silva, Yvonne Vieux, and Virginia Willis.

Seventh grade—Lupe Cardenas, Tony Correa, Elmo Cox, Elizabeth Franco, Bradford Hodgkins, Robert Kibby, Lawrence Martinelli, Virginia Mendoza, Mary Mesquite, Mary Perry and Joseph Rebello.

Eighth grade—August Annie, Peter Bunting, Mary Correa, John Cattaneo, Cleata Farmer, Edythe Hinkson, Yoshimi Kawaguchi, Ollie Manuel, Raymona Mello, Charles Myrick, Lucille Olivera, Pau Celia, and Melvena Santos.

## CHEMICAL EXPERT TO SPEAK AT C. OF C. MEET

The regular meeting of the Niles Chamber of Commerce Monday noon will be featured by an address by S. G. Scott, head of the laboratory at the California Chemical works at Newark.

Scott will speak on the uses of bitters, quicklime, micron magnesium oxide, hydrated lime, ethylene de bromide and shell. The above are all local products, and the talk on their uses should prove interesting as well as educational to all those attending the luncheon.

Everybody knows the old story about "Smile and the world snickers with you, Sniff, and you use your own handkerchief." Well, it's the same with subscribing to the Township Register. Spend a couple of dollars a year for it with a smile and you will be amply rewarded with self-satisfaction and pleasure. But if you don't subscribe to this home newspaper, the world passes by, and you just don't know what's what!

## COMMUNITY SPIRIT IS STRONGLY URGED AT DINNER MEETING

Impressive Speakers Urge  
Support of Local  
Industries

Stressing the fact that "no community can be truly prosperous unless the profits of business done in that community remain within its limits," and urging the vital importance of patronizing California-made products whenever possible, Albert G. Burns, general director of the California State Industries League, visibly impressed and influenced an overflow gathering of township business men and their ladies at a dinner meeting sponsored by the Niles Chamber of Commerce held Tuesday evening in the Niles Odd Fellows' hall.

Some very vital facts and figures were given by Burns in the course of his most interesting and enlightening talk, stating that the main purpose of the organization he represented was to make the people of this state "more California-minded," and to educate the people that "if price and quality are equal, to give preference to California-made products." He further stated that sixty-nine percent of the manufacturers in California do not sell their merchandise outside the state, therefore depending entirely on local patronage for their very existence, and also, necessarily, the existence of thousands of California people employed by them.

The very educational talk given by Burns, punctuated at opportune occasions by appropriate humorous stories, was preceded by an introductory address by J. A. Speer, executive secretary of the California State Industries league, who presented several very useful articles to some of the more fortunate guests. Messrs. Burns and Speer were ably assisted in their earnest efforts by Fred C. Green, also of the State Industries league, and Cameron Fraser, representing the Managerial Company of America.

F. V. Jones, president of the Niles Chamber of Commerce, ably presided over the large gathering, the success of which was largely due to the hard-working and conscientious efforts of the committee composed of E. F. Glassbrook, A. J. Petsche and H. L. Scott. Members of the Niles Rebekahs prepared and served the excellent dinner, thanks and appreciation being extended for

## TOWNSHIP SCOUT BODY ADOPTS LAWS AT IRVINGTON MEET

Plans Made For Organization Of New  
Council

The Washington Township Scouters held their monthly meeting at Irvington Monday night. The meeting was called to order by President J. E. Townsend, and after a round table discussion the by-laws were revised and adopted. H. L. Hopkins gave some information concerning the organization of a council within a council, which is a movement national in scope. Hayward is the only one in the Oakland Area Council to organize such a group. Washington township will be the next to organize and then the City of Oakland.

E. E. Carroll and R. L. Pond were appointed on the extension committee to see if troops could be organized in Mission San Jose and Warm Springs. The round table discussion was concerned with common scouting problems. All township troops were represented with the exception of Newark. George Coit and W. D. Metta were appointed to provide for the next meeting which will be held in Centerville. Refreshments were served to the gathering.

## VOLSTEAD CHARGES BRINGS 20-DAY SENTENCE

Max Ahyta, of Decoto, was given the preference of paying a \$100 fine or spending twenty days in the county jail when he pled guilty to possession of liquor before Justice of the Peace J. A. Silva in Niles Monday afternoon. He chose the twenty-day sentence.

Ahyta was arrested Saturday in Decoto by Deputy Sheriff Webb and other officers from the county sheriff's office.

## ALVARADO HOLY GHOST FESTIVAL SLATED APRIL 23-24

### Fete To Begin Saturday Evening With Huge Parade

Alvarado will hold its seventh annual Holy Ghost celebration Saturday evening and Sunday, April 23 and 24. Miss Adeline Perry Silva, of the Alvarado Creek road, has been chosen queen and Miss Eleanor Roderick and Miss Bernice Davner attendants.

Saturday evening the celebration will begin with a parade from the home of Antone Perry to the Parrish hall. An orchestra will play for the parade and the dance on Saturday evening and Sunday afternoon. Immediately following the evening parade there will be fireworks on the grounds surrounding the Catholic church, which have cost approximately \$350.

The procession will start Sunday morning at 10 o'clock with Mr. Fontes, of Centerville, taking charge. Frank Botelho, also of Centerville, will lead the parade from the Parrish hall, down Smith and Levee streets and ending at the Catholic church where high mass will be held.

The Alvarado S. P. R. S. I. drill team, the Mission S. P. R. S. I. drill team, the Eagles team, of Oakland, composed of men and a number of 1931 queens from surrounding towns, will participate in the parade.

Lma Borges has been chosen as little queen and Winifred Santos and Hilda Pinto attendants. There will be a number of flower and bar girls. Miss Madeline Dutra, queen last year, will also march.

In the afternoon all attending the festival will be invited to join in a barbecue.

A dance will be held Sunday afternoon in the newly erected hall on Watkins street.

In the latter part of the afternoon an auction of cattle, chickens, etc., will be held in front of the Parrish hall with Joseph Martin, Joseph Gomes and Manuel Carreira as auctioneers.

Among the celebrities attending the festival will be Pinta Da Sa and Joe Santos, of ringside fame.

The celebration has been announced by Mr. Azevedo over the radio. The officers are Manuel Martin, president; Antone Santos, vice-president; John Menezes, secretary, and Joe Lewis, treasurer, and the directors are Mathew Machado, Ernest Perry, Raymond Perry and Manuel Martin, of Newark, and the ladies committees, have been working strenuously and diligently to make the celebration a success.

## PLEASANTON NINE IS DEFEATED BY OAKLAND PLAYERS

### Nine to Nothing Is Record of Game on Sunday

The Pleasanton Merchants were defeated by the Bethlehem Bros., of Oakland, in a game played at the Pleasanton grammar school diamond last Sunday by a score of nine to nothing.

The Oakland boys were too well experienced for the Merchants. They scattered hits all over the diamond, one after another. Louis Anslmo, ball tosser for the Merchants, was taken out of the game at the third inning. He was replaced by Schultz, who pitched the rest of the game.

The Merchants met the Hayward M. I. team last Sunday. There was a large crowd at the game last Sunday.

The lineup for Sunday was as follows:

Norton, catcher; F. Paulo, first base; William Garcia, second base; Scott, short stop; Pous, third base; F. Viada, left field; A. Faria, center field; Gomes, right field; Anselmo, pitcher; Schultz, pitcher, all of Pleasanton.

### SEAMEN'S BOOK WEEK IS SET FOR APRIL 13 TO 20

April 13 to 20 has been set aside as Seamen's Book Week in California and all those who have books which they no longer wish to keep have been asked to turn them in at some library from where they will be sent to the Seamen's Book Society of California in San Francisco and placed on ships for sailors to read. It has been pointed out that as ship life affords an abundance of time with a minimum of recreation, so a book means more than a medium for spending the time between work and meals.

All types of adult books are in demand as there is a fluctuating personnel that varies considerably in literary taste. Many sailors prefer mystery stories—crime, murder and other vicarious excitement, but there is a large number who ask for a selection of books by authors recognized for their merit in literary style and development. Dreiser, Cabell, and Conrad are of the class read most frequently. There also is considerable demand for legitimate books on philosophy, psychology, economics and other allied sciences. There is consistent demand for mathematical textbooks. Men studying for their licenses, either in the deck or engine department, wear these books out in priming for their examinations, while ship officers use these for frequent reference, if the books are of adequate caliber.

Anyone in this community wishing to donate books for this purpose can send or bring them to the Niles library.

their efforts by President Jones on behalf of the Chamber of Commerce.

Excellent entertainment was provided throughout the evening through the courtesy of several artists from radio station KROW, of Oakland, featuring Babbette Rouse, lady baritone, well known as the "Twilight Serenader" of radio fame, Bobbie Moore, baritone, prominent in the Krowlian Jamboree Revue, and Vivian Moore, accompanist, who has gained a wide reputation during her organ recital every Sunday evening. Mrs. Joe Alva, of San Jose, rendered two very delightful and amusing readings, which were well received by the 125 guests present.

Thanks of the committee in charge of the affair were extended to the Leslie Salt company, the Morton Salt company, and the International Wood Products company, for prizes donated.

Much interest was manifested by all present in the miniature displays exhibited by the California Chemical corporation, of Newark.

### KIMBER RESIGNS FROM HI-SCHOOL FACULTY

Of considerable surprise to residents of Washington Township is the news that John E. Kimber has tendered his resignation as head of the music department at Washington Union high school, after more than five years of service. The resignation is to take effect at the close of the present school year, and the matter is now under advisement by the board of trustees.

Kimber announces that his resignation was prompted by the fact that he wishes to devote his whole time to the poultry business, in which he has been engaged for the past few years.

### NEW 8 CYLINDER FORD WILL DRAW PUBLIC ACCLAIM

With the recent appearance of the new V-8 cylinder model car, another triumph is added to the successful achievements of the Ford Motor Company. In putting the new car on the market, Ford has broken away from the tradition of constructing only four cylinder models and is now offering the public at low prices a beautiful eight-cylinder machine which can be ranked with any other eight cylinder car on the market.

Convenience, comfort, power, speed, reliability, graceful appearance, all these and many other features can be listed as belonging to the new eight-cylinder Ford. Containing a sixty-five horse power engine the machine can attain a speed of seventy-five miles an hour without considerable effort.

A synchronized silent gear shift, a silent second gear, comfortable riding springs, no vibration of the body makes the new machine one that it is a pleasure to drive. The car also is noted for its low gasoline consumption. Among the other features are large, effective fully enclosed four-wheel brakes, distinctive steel-spoke wheels with large hub caps, single bar bumpers, chromium plated, adjustable driver's seat and graceful new roof line and slanting windshield of clear, polished plate safety glass.

With the appearance of the new eight cylinder Ford, an improved Ford four-cylinder machine is also on the market. This has a fifty horse power engine operating with new smoothness and is available in fourteen body types.

The New Fords can be seen on display at the Ford Garage operated by Ira B. Hodgkins in Centerville.

## 3 RULES big help to BOWELS

What a joy to have the bowels move like clockwork, every day! It's easy, if you mind these simple rules of a famous old doctor:

1. Drink a big tumblerful of water before breakfast, and several times a day.
2. Get plenty of outdoor exercise without unduly fatiguing yourself.
3. Try for a bowel movement at exactly the same hour every day.

Everyone's bowels need help at times, but the thing to use is Dr. Caldwell's Syrup Pepsin. You'll get a thorough cleaning-out, and it won't leave your insides weak and watery. This family doctor's prescription is just fresh laxative herbs, pure pepsin, and other helpful ingredients that couldn't hurt a child. But how it wakes up those lazy bowels! How good you feel with your system rid of all that poisonous waste matter.

## WASHINGTON STAGES SLUGFEST TO DEFEAT EMERYVILLE TOSSERS

### Cornhuskers Score Sixteen Runs to Two For Rivals

To the ringing tune of viciously wielded bats beating a steady tattoo of base hits, the Washington Union High School ball tossers march merrily onward to southern Alameda county league championship.

Emeryville's scalp is the latest addition to the belts of Coach Jess Regli's diamond cutters as the result of Friday's encounter at Centerville when the Cornhuskers administered a 16 to 2 drubbing to that school.

Displaying the same disrespect for the opposition twirler's slants as has characterized previous games, the Washington sluggers ran up a total of eighteen hits during the contest. Dewitt, Emeryville hurler, wilted under the savage batting barrage in the sixth canto and was chased to the showers to be replaced in the seventh inning by Secaci who held the Cornhuskers scoreless and allowed only one bingle in the two frames he performed on the slab. Fontes and Rose shared hitting honors for the day, Fontes batting out two doubles and a single in five attempts, while Rose laced out a circuit clout and two singles in five trips to the plate. Nakagowara also hit one that went for four bases.

Tom Ketashima started the chukking duties for Washington and blanked Emeryville during the five innings he labored on the mound, and was nicked for only three safeties. Amaral took up the burden and allowed one run and one bingle in the two frames he worked. A. Maderios, a freshman, hurled the last inning, and displayed nice form on the hillcock.

The Cornhuskers began their scoring in the second inning when they tallied a pair of runs. Fontes slammed out a single which the left fielder let trickle through his legs, Fontes occupying the keystone bag on the play. Rose stepped to the plate and hoisted one that was good for four bags.

In the third frame, Coach Regli's men increased their total with four more. Sekigahama

drew a base on balls, stole second and third, and crossed the plate when Foehr slapped out a two-bagger. Fontes followed with another double, scoring Foehr. Fontes went to third when Rose was retired short to first, and then proceeded to steal home. Nakagowara accounted for the fourth marker when he connected for a circuit clout.

Washington added one run in the fourth when Ketashima doubled, reached third when the left fielder bobbed the ball and scored on an error by first.

Six safe blows were responsible for six Cornhuskers romping across the home platter in the fifth canto. Fontes drove out his second double of the day, and Rose hit one to first who fumbled the ball, leaving both men safe on the sacks. Wilson rifled out a double, scoring Fontes and Rose. Ikeda hit safely, stole second, and Ketashima responded with a two-bagger. Sekigahama also belted out a double and tallied on Faria's hit.

Washington chalked up three runs in the sixth inning. Rose doubled and scored on Wilson's bingle. Roderick singled and stole second, but Wilson was out at home when Ikeda hit to second when pegged to the plate. Amaral came through with a blow to score Roderick and Ikeda.

Emeryville broke into the scoring column for the first time in the eighth inning when Secaci was issued a free pass, stole second and scored on a double by Sueyaz. The Emeryville boys collected another in the ninth when the first fan up was hit by the pitcher and scored on a two-bagger by Dunn.

## SCHOOL FOR DEAF AND DUMB DOWNED BY WASHINGTON NINE

Washington Keeps League Slate Clean By 11 To 6 Win

The traditional lucky seventh inning proved to be just that for the Washington Union high school baseballers Tuesday afternoon.

Trailing until the seventh when they unleashed a scoring attack which netted six tallies, the Cornhuskers retained undisputed lead of the southern Alameda county league by taking a 11 to 7 decision from the California School for the Deaf and Dumb on the Centerville diamond.

The count read 4 to 2 against Coach Jess Regli's tossers until the seventh canto when three safe blows coupled with two free passes and two errors paved the way for a Washington victory.

Washington's usual heavy batting guns were somewhat silenced in Tuesday's contest when the Cornhuskers garnered only eight safeties from the offerings of Cano, the Dummies' chucker. However, Cano issued nine free tickets to first to compensate for not allowing Washington their customary number of hits.

Wilson started on the slab for Washington but was replaced by Ketashima in the third when the Dummies nicked him for a brace of tallies.

Neither nine scored until the third frame when the Dummies chased two runs across the plate to take the lead. The first two men up drew walks and scored later on a hit and an error by Wilson.

Faria crossed the home plate for Washington in the third when he hoisted a three bagger and scored as the pitcher fumbled Foehr's grounder.

Both teams counted in the fourth. The first man up for the Dummies was safe on an error by Sekigahama, stole second and scored on a hit by the following batter. Rivers tallied Washington's run in the fourth when he singled, stole second and crossed the home rubber on an error at third base.

The Dummies increased their total to four in the fourth after the first two up were retired via the strike-out route. The third man was hit by a pitched ball and

scored on two successive hits by the following batters:

Sekigahama, Faria, Foehr, Fontes, Rose, and Nakagowara romped across the home plate for Washington in the seventh inning and sewed the contest for Washington.	
Foehr, Fontes, and Rose also tallied in the eighth to complete the Cornhuskers' scoring. The Dummies tallied twice in the eighth.

## HIGH SCHOOL NOTES

The annual alumni dinner was held last night at the high school with approximately 170 attending.

The old art of pitching horse-shoes is proving to be a popular pastime for many of the high school students and faculty. Horse-shoe pits for both girls and boys have been constructed and interest in the game is keen. Reports are that Miss Iva Liston, of the faculty, and Miss Patricia Bliss, student, are so confident of their mastery at the game that they have challenged anyone in school to a match, while Principal A. J. Rathbone insists a faculty partner and he have accepted the challenge but no game has yet resulted.

Principal A. J. Rathbone and B. L. Webb, of the high school faculty, attended the Alameda County Teachers' Association held Saturday in Oakland. A number of elementary school principals from Washington township also attended the gathering.

The high school board of trustees with the two new incoming members will be organized at a meeting held the first Saturday in May.

Tryouts are now being held at the high school under the direction of Miss Aubrey Nicely, dramatics coach, for the senior play to be held the 26th of May.

Ten members of the high school scholarship society accompanied by J. B. Hill and Miss Ada Jane Roberts, of the high school faculty, attended a gathering of the California Scholarship Federation held Saturday in Santa Cruz. The chief speaker at the meeting was Doctor Cadman, of the San Francisco stock exchange. A regular business meeting was held, followed by the election of new officers.

After the meeting, the Washington group enjoyed a picnic on the beach. Those who attended were: Frank Dusterberry, Jr., Yasuto, Kato, Joe Guardnapo, Tokulei Natta, Kagata Masuda, Helen Rogers, Irma Hodges, Lorraine Bettencourt, Patricia Barton and Luella Hudson.

## SCHOOL DRAMA IS HIGHLY ACCLAIMED BY LARGE CROWD

Cast Displays Ability In Fine Portrayal Of "Seventeen"

Playing before a large and enthusiastic audience members of the cast of the Washington Union high school student body play "Seventeen" displayed marked ability in dramatic interpretation when they rendered a creditable performance of Booth Tarkenton's four-act comedy in the high school auditorium Friday night.

The play was a new venture in dramatic presentations at the school in that it was not produced for commercial purposes but to allow the development of self expression in students before the public. No admission was charged, only those with invitations attending.

The drama marked another triumph for Miss Aubrey Nicely, high school dramatics coach, whose consistent and intensive efforts with the cast resulted in an artistic portrayal of the entertaining story of the life of American youth.

Considering it was their first stage appearance before the public, all members of the cast deserve credit for their efforts. Ralph Logan as Willie Baxter, around whom the drama is centered, stood out in the portrayal of his role, keeping the audience highly entertained throughout by his persistent resolve to be a "grown up" man and thereby win the heart of the fair Lola Pratt, played with distinction by Jean Roderick.

Gordon Justus as Mr. Parcher displayed a great deal of poise in his characterization, while Melvin Farmer as Mr. Baxter and Aldina Azevedo as Mrs. Baxter performed with credit in their roles. The part of Jane Baxter, played by Kathleen Evulich, was portrayed with polish and perfection, which added a great deal of liveliness to the show.

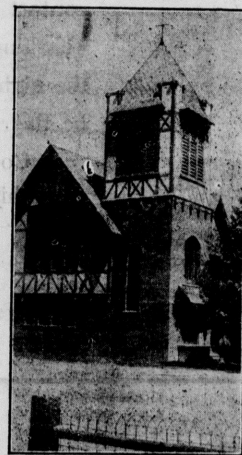

Jean Roderick with an abundance of pulchritude gave an admirable performance of Lola Pratt. Other members of the cast were: Genesis by Robert Clark; May Parcher by Vivian Luna; Joe Bullit by Dexter Witherly; John Watson by John Hebenicht; George Crooper by Patrick Pine; Mary Brooks by Elaine Boyce; Ethel Boe by Margaret Silva, and Wallie Banks by Irving Steinhoff.

Automatic HOT Water Costs Less

Prices of Automatic Gas Water Heaters down 50% compared with 1917... Operating cost cut 40%\* thanks to Natural Gas. Easier terms... as low as \$4.25 down, \$3.25 a month

DO YOU PREFER showers to tub baths? If so, Automatic Hot Water is even more important. You have a steady even flow of hot water at the turn of the faucet. No need of constantly regulating the temperature. No danger of scalding water.

When you have no Automatic Heater a shower bath is not so pleasant. You wait for water to heat. When you step under the shower, the water at first is likely to be too hot. Soon it cools off, and you've missed the pleasure of a real shower.

**Bargain in Automatic Gas Water Heaters**  
Now is the time to connect an Automatic Gas Water Heater to your present plumbing. You can buy an Automatic for 50% less than you could in 1917. Yet the new, improved Automatics are more attractive and better built than ever. The terms are easier too, as low as \$4.85 down and \$3.85 a month. And you can trade in your old non-automatic water heater or water-back and receive a liberal allowance.

**Saves Your Time and Energy**  
Plenty of Automatic Hot Water dissolves dirt from 2 to 20 times faster. That saves your energy with the clothes, dishes, and all your other household cleaning tasks.

With an Automatic you do not wait for water to heat. You save time. Studies have been made which show that an Automatic Gas Water Heater saves 4 to 6 hours each week. These additional hours can be used by the housewife for reading, shopping or entertaining.

Stop in today and see the new Automatic Gas Water Heaters. When you purchase one you are not buying a luxury, but making an investment in one of the most important necessities for healthful, happy home life.

\*According to our gas rates, Automatic Water Heating with Natural Gas saves the average consumer 40%.

## Operetta Is Taking Shape for Showing In Pleasanton

Performances Set for Fifth and Seventh of May

Rehearsals are well advanced for the great operetta, "The Chimes of Normandy", to be presented at the Amador Valley high school auditorium Thursday and Saturday evenings, May 5 and 7.

The traditional rendering is to be given with all the calculation of the old English used at that time and all the humorous dialogue.

The operetta promises to be a very colorful production. The costumes to be worn are of the period of the story, the sixteenth century, and will be identical with the costumes worn at that period by the peasants of Normandy.

The principal parts are to be taken by the following Pleasanton people:

R. O. Moyer, Gaspard, the Miser; Fred Blackow, Grencheu, the Fisherman; William Graham, Henor, Marquis of Corneville; Dr. Hal Cope, Baillee; Mario Adams, Golo (The Baillee's Clerk); Mrs. R. O. Moyer, Serpolette; Miss Doris Grana, Germaine, the Counts daughter; Miss Alice Layton, Gertrude; Mrs. Dorothy Heine, Nannette; Miss Billie Moyer, Suzanne; Miss A. D'Ombrain, Jeanne; and Tony Adams, Christophe, a cabin boy. There will be approximately

## Amador Nine Beats Livermore By Score Of Twenty To Five

### Dutra Pitches Entire Game To Give Bob Silva A Rest

It was an April Fool joke on the Livermore Cowboys when the fighting Amador Dons journeyed to Livermore recently and defeated them by a score of twenty to five, to score their fourth victory in succession.

In the first inning Amador succeeded in getting eight men on the bases, but failed to score more than three runs.

In Livermore's turn at bat the situation was almost as bad, when Dutra, pitching for the Dons, put three men on base with one hit and two walks. Dutra pulled himself nicely out of the situation, when he struck out the next three batters to prevent the Cowboys from scoring.

Amador continued to threaten their opponents, scoring in every inning. Their two big moments were the fifth and ninth innings, when they scored five and nine runs respectively.

With the score twenty to three in the Dons' favor in the last ninety taking part in the performance. The Amador Valley High School Orchestra will play the accompaniment.

half of the ninth, the Pleasanton boys apparently let down and allowed the Cowboys to score two runs on two walks and two hits, bringing the Livermore total to five, as against Amador's twenty.

Fred Dutra pitched the Livermore game so that Coach Patterson could save Bob Silva for the Centerville game.

The box score was:

## MORE ON SWIMMING POOL

(Continued From Page One)

ducted for campaign expenses. Also the Centerville business men would not have the time necessary to devote toward the campaign.

Under the plans devised by the campaign firm there are three ways which the public will be able to subscribe to the fund. Stratton told the civic body members. First, through straight donations of cash which can be paid at once or in installments over a period of three months. Second, through the purchase of script entitling holders to bathing privileges in the pool, the script to be of three classes, \$2.50, \$5, \$10. Third, through the contracting of the sum of \$10 or more, to be paid at once or in installments.

Stratton said three types of committees had been organized in the township to carry on the work. These are adult committees, made up of adults in the township; a junior committee, made up of students from the Washington Union high school; and a teachers' committee. A prospect list consisting of two classes of prospects, those who are potential \$5 or over subscribers, and those under \$5. The adult committees will interview all the former and the junior committee will interview all the latter. No committee member will approach more than six prospects, according to Stratton.

The speaker stated that the organization of committees in the township had met with enthusiastic success thus indicating a real interest in the campaign.

Stratton also explained that all the money subscribed to the fund will be adequately protected. If the goal set is not reached, the Bank of America at Centerville will immediately return the exact sum every individual has subscribed.

In closing, the campaign director called for the support of the Niles Chamber of Commerce and Niles people in making the campaign a success. F. V. Jones, president of the Niles chamber, has called for a meeting of the executive committee to confer with Stratton and work out plans for a committee to handle the drive in Niles. E. E. Dias, E. A. Ellsworth, J. E. Silva and H. L. Scott were appointed as additional members of the chamber executive committee to meet with Stratton.

The Niles chamber will hear a discussion of the Sharkey oil bill in the near future was the decision made by the members Monday. Edgar S. Hurley, ex-state senator, will be asked to speak on the legislation.

The committee on the Niles Wild Flower Display was given a hearty vote of thanks for their efforts in making the show such a success this year. The Township Register also was given a vote of thanks for the cooperation in staging a successful display. W. E. Jones, member of the flower committee, was heartily praised for his efforts in obtaining the services of Professor H. L. Mason and E. M. Mrak, of the University of California botanical department, for the flower show. A. Johnson reported that this year's show has been the most successful one ever held.

Dr. E. C. Gray was appointed chairman to arrange for next week's meeting.

## MAN FOUND DEAD IN PLEASANTON RACE TRACK ROOM

Thomas White, of Pleasanton, dropped dead in the old Fair Building at the Pleasanton race track last week.

It was stated that White died from heart failure. White had been ill for the past several months. He was sixty years of age at the time of his death.

White was well known at the track, having worked there off and on for approximately fifteen years. He was residing at the old Fair Building. His body was found in his room by another jockey.

He was buried at the Pleasanton cemetery last week. No relatives of the deceased have as yet been located.

## IRVINGTON CHURCH MAKES PLANS FOR EVENT

The Churchwomen's Association of the Irvington Community church held their third monthly meeting on Friday, April 8.

The meeting was opened with brief devotional exercises, after which Mrs. Lee told of the wonderful effect of the Christian religion upon the people of Korea. The most interesting part of the business meeting was the plans laid to gather material for the home-coming day in May. The ladies will welcome any assistance either in early memories of the church or community or in mementos of that period, to be used as a display. It is hoped to have several prominent speakers, a picnic lunch and a real good time.

Delicious refreshments were served by Mrs. Stag, Mrs. Norby, Mrs. Harlan, Mrs. Lutz, and Mrs. Allan Hirsch.

### RETURN FROM HOSPITAL

H. Cushing has returned from San Jose hospital where he was confined with illness. His health is much improved.

## SUNOL HOME FOUND BROKEN INTO RECENTLY

The summer home of Taylor Bell, on Glen Avenue, in Sunol, was broken into a week ago, and several valuable things were found missing, according to a report given out by Constable Al Vervais, of Pleasanton, who is investigating the burglary.

Bell is a San Francisco attorney and comes to Sunol over week-ends. It was on the week-end of March 26 that he learned some one had ransacked the home and taken several articles. He notified Vervais in the middle of the week. Up to the present time the thief has not been located.

### Irvington Woman Given Surprise Fete

A surprise birthday party was given in honor of Mrs. Florence Medeiros, of Irvington, last Wednesday. Those who were present were:

Mr. and Mrs. Joe Duarte and son, and Joseph Bettencourt, of Centerville; Miss Hazel and Tiny Mendonca, of Pleasanton; Mrs. M. Garcia and Alice Garcia, and Mrs. Marie Fontes and son, George, of Turlock, and Mr. and Mrs. J. S. Bettencourt, of Irvington, and daughters Evelyn and Annie.

Many beautiful gifts were received. The evening was spent in card playing. At midnight delicious refreshments were served.

Mrs. E. E. Carroll, of Irvington, entertained Mrs. Lois Green Wilson, of San Francisco; Mrs. Mathes, of Newark; Mrs. R. L. Pond, of Irvington, and Mrs. R. Bendel, of Decoto, at luncheon previous to the Country Club meeting last Tuesday.

Mr. and Mrs. Frank Rose, Ernest and Clarence Rose, Mr. and Mrs. Bill Rose and daughters, Lorraine and Doris May, Mr. and Mrs. Everett Rose and children, June and Bob, and Mr. and Mrs. Frank Perry spent Sunday at Golden Gate Park.

### PLEASANTON MAN GETS SIXTY DAY SENTENCE IN COUNTY HOSEGOW

Manuel Moniz Gets Double Time After Breaking Parole

Manuel Moniz, of Santa Rita, was sentenced to serve sixty days in the county jail when he was found disturbing the peace in his family last week, by Constable Al Vervais, of Pleasanton.

Early last week he was arrested and pleaded guilty to disturbing the peace in his family to the Pleasanton judge. He was put on probation for a period of thirty days in custody of the constable. A day after he was released, he was found disturbing peace in his family and was then taken to jail by Constable Vervais, where he will serve sixty days.
